'Look-Back' Service Finds Your Recoverable Money or Look-Back Scan is FREE!

Why lose your hard-earned money forever? Try our "Look-back" service and get at least a portion of your lost money back. Plus, if we don't find anything, you don't pay anything.

Your money, your choice!

How It Works

The OPERR platform is able to process previous NEMT billing data, from time periods before the client base's use of OPERR, for lost revenue. OPERR has the transportation industry's first and only 'look-back' billing algorithm to help the base owner with avoidance of payment losses.

Examples of Actual OSB Client Recoveries

Client	Dates Processed	Recoverable	Trips
A	4/24/2017-12/31/2017	\$8,204.36	93
B	4/24/2017-7/12/2018	\$26,960.38	790
C	1/01/2018-5/02/2018	\$167,173.71	4493
Total Recoverables		\$202,338.45	

Keep Your Revenue

Our automated billing module utilizes advanced technology to substantially reduce losses from costly errors incurred during the billing process.

Thorough Checks

OSB not only provides billing services for current billing periods but also "look-back" through previous billing data for invoice underpayments.

Software & Service

Look-Back Billing is provided as a platform module or as a professional service by OPERR® Service Bureau (a fully licensed OPERR subsidiary).

Strong Verification

The OPERR Service Bureau platform software allows the provider to check the beneficiaries' eligibility before service is provided.

Minimizes Errors

OSB reduces staff workload and helps increase their accuracy, by automatically compiling billing documents, records and trip history.

Smart & Flexible

The Operr Service Bureau software is even capable of auto-compiling & re-submitting claims where info is omitted or erroneous.

We Strive To Maintain Excellence

Our clients are some of our best promoters. We have saved countless transportation companies millions of dollars collectively. Here are a few examples of actual OSB client recovery figures. We can provide many more in-depth examples upon request, such as during any of the Look-Back billing service consultations.

Regulatory Compliant Billing Practices

Our clients are some of our best promoters. We have saved countless transportation companies millions of dollars collectively.
